Jeju

The Korean INWEPF Committee & PAWEES

1. Overview

2010 INWEPF-PAWEES Joint Symposium

INWEPF-PAWEES joint Symposium will be held at Jeju Island to exchange knowledge and experiences based on expertise among the INWEPF member countries. One-day Symposium, the 7th steering meeting and field trip during 27-29 October 2010 will take place at the ICC Jeju(International Convention Center), Jeju Island, Republic of Korea.

The 7th INWEPF steering meeting and PAWEES meeting

The Korean INWEPF Committee agreed to hold the steering meeting and symposium during the last 6th steering meeting in Japan, and it will organize and provide the arena to achieve the mission and challenges of INWEPF. During the PAWEES meeting 9th International Conference on Educational Accreditation System and APEC Engineers Project for Agricultural Engineering in Paddy Farming Regions, and PAWEES Award Ceremony will occur.

2. Call for paper

We invite scholars, policy makers, local governments and anybody interested in or contributing to the goal of INWEPF and PAWEES missions.

Theme for INWEPF-PAWEES Joint Symposium

- Paddy and rural environment, Climate change and food security, sustainable irrigation management, etc. (Attachment: guidelines for extended abstract)
- Due to limited allocation of time for oral presentation, about 10 papers will be posted up for poster session in the lobby.

Theme for Country report

- Balance between productivity and environmental protection

Exhibition

- To share the experiences in Korea, materials related to symposium topics and international cooperation will be exhibited for two days in the five booths. We can include some of the materials from member country. Please consult to organizing committee for the exhibition.
