PAWEES 2021 International Conference

October 29, 2021
Online Everywhere

CONFERENCE AIM AND SCOPE

As the COVID-19 pandemic continues and does not ease, PAWEES 2021 is decided to be hosted as a fully virtual online meeting. We hope this year could be a different but meaningful and interactive experience for all attendees. Although in a different format, PAWEES 2021 remains aiming to provide an interactive platform to international researchers and practitioners working on paddy system and relevant fields, to present and share novel advances, research findings, perspectives, and experience and help the international community solve emerging food and water issues.

CONFERENCE THEME

Theme : Innovative Technologies for Agricultural Water Sustainability

General session:

Topic 1: Water-Energy-Food Nexus

Topic 2: Smart Irrigation Quantity and Quality Technologies

Topic 3: Irrigation Management in Water Shortage and Climate Change

Topic 4: Water Saving Irrigation and Irrigation Service Extension

PRESENTATIONS

Oral presentation

The virtual platform for PAWEES 2021 will be announced later. Time allotment for each oral presentation is expected to be **15** minutes, including **12** minutes for presentation and **3** minutes for Q & A.

LANGUAGE

The official language of the conference will be English. All abstracts and posters should be submitted in English.
